the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct and install one or more “projects” (as defined in the Act) or to cause said projects to be acquired, constructed and installed, and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, in January, 2020, Harden Plaza, LLC, a New York State limited liability company (the “Company”), submitted an application (the “Application”) to the Agency, a copy of which Application is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the “Project”) for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in an approximately 3.174 acre parcel of land located at 433 West Railroad Street in the City of Oneida, Madison County, New York (the “Land”), together with two (2) buildings containing in the aggregate approximately 49,000 square feet of space (collectively, the “Facility”), (2) the renovation of the Facility and (3) the acquisition and installation therein and thereon of certain machinery and equipment (the “Equipment”) (the Land, the Facility and the Equipment being collectively referred to as the “Project Facility”), all of the foregoing to constitute a residential apartment and retail facility to be owned and operated by the Company and other directly or indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, pursuant to the Application, the Executive Director of the Agency (A) caused notice of a public hearing of the Agency (the “Public Hearing”) pursuant to Section 859-a of the Act, to hear all persons interested in the Project and the financial assistance being contemplated by the Agency with respect to the Project, to be mailed on January 3, 2020 to the chief executive officers of the county and of each city, town, village and school district in which the Project Facility is to be located, (B) caused notice of the Public Hearing to be posted on (1) January 3, 2020 on a public bulletin board located at 109 North Main Street in the City of Oneida, Madison County, New York and (2) January 3, 2020 on the Agency’s website, (C) caused notice of the Public Hearing to be published on January 5, 2020 in The Oneida Daily Dispatch, a newspaper of general circulation available to the residents of the City of Oneida, Madison County, New York, (D) conducted the Public Hearing on January 15, 2020 at 11:00 a.m., local time at the Mayor’s Conference Room in City Hall located at 109 North Main Street in the City of Oneida, Madison County, New York, and (E) prepared a report of the Public Hearing (the “Public Hearing Report”) fairly summarizing the views presented at such Public Hearing and caused copies of said Public Hearing Report to be made available to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”) and the regulations (the “Regulations”) adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, “SEQRA”), the Agency (A) concurred in the determination that the City of Oneida Planning Commission (the “Planning Commission”) is the “lead agency” with respect to SEQRA and (B) acknowledged receipt of a negative declaration from the Planning Commission issued on December 17, 2015 (the “Negative Declaration”), in which the Planning Commission determined that the Project would not have a significant adverse environmental impact on the environment, and therefore, that an environmental statement need not be prepared with respect to the Project; and

WHEREAS, by further resolution adopted by the members of the Agency on January 16, 2020 (the “Commercial/Retail Finding Resolution”), the Agency (A) determined that the Project constituted a “commercial project” within the meaning of the Act, (B) found that although the Project Facility appears to constitute a project where facilities or properties that are primarily used in making the retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Project, the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act because the Project Facility is located in a highly distressed area, (C) determined, following a review of the Public Hearing Report, that the Project would serve the public purposes of the Act by preserving permanent private sector jobs in the State of New York, and (D) determined that the Agency would proceed with the Project and the granting of the Financial Assistance; provided however, that no financial assistance would be provided to the Project by the Agency unless and until the Board of Supervisors of Madison County, as the elected legislative body of Madison County, New York, pursuant to Section 862(2)(c) of the Act, confirmed the proposed action of the Agency with respect to the Project; and

WHEREAS, pursuant to Section 862(2) of the Act, prior to providing the Financial Assistance to the Project, the Board of Supervisors, as the elected legislative body of Madison County, New York, must confirm the proposed action of the Agency; and

WHEREAS, the Agency has given due consideration to the Application, and to representations by the Company that (A) the granting by the Agency of the Financial Assistance with respect to the Project will be an inducement to the Company to undertake the Project in Madison County, New York and (B) the completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State of New York to another area in the State of New York and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State of New York; and

WHEREAS, the Agency desires to encourage the Company to preserve and advance the job opportunities, health, general prosperity and economic welfare of the people of Madison County, New York by undertaking the Project in Madison County, New York; and

WHEREAS, in order to consummate the Project and the granting of the Financial Assistance described in the notice of the Public Hearing, the Agency proposes to enter into the following documents (hereinafter collectively referred to as the “Agency Documents”): (A) a certain lease to agency (the “Lease to Agency” or the “Underlying Lease”) by and between the Company, as landlord, and the Agency, as tenant, pursuant to which the Company will lease to the Agency a portion of the Land and all improvements now or hereafter located on said portion of the Land (collectively, the “Leased Premises”); (B) a certain license agreement (the “License to Agency” or the “License Agreement”) by and between the Company, as licensor, and the Agency, as licensee, pursuant to which the Company will grant to the Agency (1) a license to enter upon the balance of the Land (the “Licensed Premises”) for the purpose of undertaking and completing the Project and (2) in the event of an occurrence of an Event of Default by the Company, an additional license to enter upon the Licensed Premises for the purpose of pursuing its remedies under the Lease Agreement (as hereinafter defined); (C) a lease agreement (and a memorandum thereof) (the “Lease Agreement”) by and between the Agency and the Company, pursuant to which, among other things, the Company agrees to undertake the Project as agent of the Agency and the Company further agrees to lease the Project Facility from the Agency and, as rental thereunder, to pay the Agency’s administrative fee relating to the Project and to pay all expenses incurred by the Agency with respect to the Project; (D) a payment in lieu of tax agreement (the “Payment in Lieu of Tax Agreement”) by and between the Agency and the Company, pursuant to which the Company will agree to pay certain payments in lieu of taxes with respect to the Project Facility; (E) a uniform project benefits agreement (the “Uniform Project Benefits Agreement”) by and between the Agency and the Company regarding the granting of the financial

assistance and the potential recapture of such assistance; (F) a certain recapture agreement (the "Section 875 GML Recapture Agreement") by and between the Company and the Agency, required by the Act, regarding the recovery or recapture of certain sales and use taxes; (G) a sales tax exemption letter (the "Sales Tax Exemption Letter") to ensure the granting of the sales tax exemption which forms a part of the Financial Assistance; (H) a New York State Department of Taxation and Finance form entitled "IDA Appointment of Project Operator or Agency for Sales Tax Purposes" (the form required to be filed pursuant to Section 874(9) of the Act) (the "Thirty-Day Sales Tax Report") and any additional report to the Commissioner of the State Department of Taxation and Finance concerning the amount of sales tax exemption benefit for the Project (the "Additional Thirty-Day Project Report"); (I) if the Company intends to finance the Project with borrowed money, a mortgage and any other security documents and related documents (collectively, the "Mortgage") from the Agency and the Company to the Company's lender with respect to the Project ("the "Lender"), which Mortgage will grant a lien on and security interest in the Project Facility to secure a loan from the Lender to the Company with respect to the Project (the "Loan"); and (J) various certificates relating to the Project (the "Closing Documents");

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF MADISON COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Agency Counsel has prepared and submitted an initial draft of the Agency Documents to staff of the Agency.

Section 3. The Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;

(E) The completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State of New York to another area in the State of New York and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State of New York;

(F) Although the Project constitutes a project where facilities or property that are primarily used in making retail sales to customers who personally visit such facilities constitute more than one-third of the total project cost, the Company has represented to the Agency that (i)

the Project is located within census tract 301.02, which is contiguous to census tract 301.01, which is considered to be a distressed census tract, and therefore, is in a “highly distressed area”, as that term is defined in Section 854(18) of the Act, and (ii) completion of the Project will serve the public purposes of the Act by increasing the overall number of permanent, private sector jobs in the State of New York;

(H) The Agency has reviewed the Public Hearing Report and has fully considered all comments contained therein;

(I) The Project should receive the Financial Assistance in the form of exemptions from sales tax, mortgage recording tax and real property tax based on the description of expected public benefits to occur as a result of this Project, as described on Exhibit A attached hereto and failure by the Company to meet the expected public benefits will result in a recapture event, as described on Exhibit B attached hereto; and

elected legislative body of the Madison County, New York, shall, pursuant to Section 862(2)(c) of the Act, confirm the proposed action of the Agency with respect to the Project.

Section 7. The Chairman (or Vice Chairman) of the Agency, with the assistance of Agency Counsel, is authorized to negotiate and approve the form and substance of the Agency Documents.
